Hello all my fellow Axarquians ( if that is the correct term)

I have a casa in the Sedella campo but no car !!, I am trying to find the times of the buses from Sedella down to Velez Malaga and Torre del Mare and also the reverse route.

I know where the bus stations are in both towns but have not been able to find any timetables, I think it might be Loymerbus out of Canillas de Albida.

Glad I found you, hope you can help.
